2. Demise of Premises. Landlord hereby demises and lets to Tenant and Tenant hereby takes and leases from Landlord for the Term and upon the provisions hereinafter specified the following described property (collectively, the "Leased Premises"): (i) the premises described in Exhibit "A" attached hereto and made a part hereof together with the easements, rights and appurtenances thereunto belonging or appertaining (collectively, the "Land"); (ii) the buildings, structures, fixtures and other improvements constructed and to be constructed on the Land (collectively, the "Improvements"), together with all additions and

accessions thereto, substitutions therefor and replacements thereof permitted by this Lease excepting therefrom Tenant's Trade Fixtures.

3. Term. Tenant shall have and hold the Leased Premises for an initial term commencing on ~~September 20, 1995~~ (the "Commencement Date") and ending on ~~October 31, 2017~~ (the "Expiration Date"). Provided the Lease shall not have been terminated pursuant to the provisions hereof, this Lease and the term thereof shall be automatically extended for two (2) renewal terms of ten (10) years each upon condition that (a) at the commencement of each renewal term, no Event of Default shall exist, and (b) Tenant may cancel any renewal term by giving notice, in accordance with the provisions of Paragraph 21, to Landlord at least twelve (12) months prior to the expiration of the then current Term. Upon the giving of such notice this Lease and the term thereof shall terminate and come to an end on the Expiration Date of the then current Term. Any such extension or renewal of the Term shall be subject to all of the provisions of this Lease, and all such provisions shall continue in full force and effect, except that the Basic Rent for each renewal term shall be the amounts determined in accordance with the schedule set forth in Exhibit "B" attached hereto and made a part hereof. In the event that Tenant exercises its option to cancel any renewal Term as hereinabove provided, then Landlord shall have the right in addition to any rights granted in Paragraph 27, during the remainder of the Term then in effect to (i) advertise the availability of the Leased Premises for sale or for reletting, and (ii) show the Leased Premises to prospective purchasers, lenders or tenants at such reasonable times during normal business hours as Landlord may select. If Tenant shall timely give such notice of its election to cancel any renewal option, then all options with regard to subsequent extensions or renewals of the Term shall expire and be null and void.

4. Rent.

(a) Tenant shall pay to Landlord or Lender, if directed by Landlord, as annual rent for the Leased Premises during the Term, the amounts determined in accordance with the schedule set forth in Exhibit "B" attached hereto and made a part hereof ("Basic Rent"), which rent shall be paid in equal monthly installments commencing on the last day of the first month next following the Commencement Date and continuing on the same day of each month thereafter during the Term (the said days being called the "Basic Rent Payment Dates"),

and shall pay the same at Landlord's address set forth below, or at such other place or to such other person or persons (not exceeding four (4) in number) and in such proportions as Landlord from time to time may designate to Tenant in writing, in funds which at the time of such payment shall be legal tender for the payment of public or private debts in the United States of America and if required by Lender by wire transfer in immediately available federal funds to such account in such bank as Lender shall designate from time to time. Pro rata Basic Rent for the period from the Commencement Date to the first day of the month next following the Commencement Date shall be computed as set forth in Exhibit "B" and shall be paid in advance on the Commencement Date, except that if the Commencement Date shall occur on the first day of a calendar month, the full monthly installment of Basic Rent shall be paid on the last day of the month in which the Commencement Date shall occur.

(b) If any installment of Basic Rent is not paid on the date due, Tenant shall pay Landlord interest on such overdue payment at the Default Rate, accruing from the due date of such payment until the same is paid.

(c) Tenant shall pay and discharge before the imposition of any fine, lien, interest or penalty may be added thereto for late payment thereof, as Additional Rent, all other amounts and obligations which Tenant assumes or agrees to pay or discharge pursuant to this Lease, together with every fine, penalty, interest and cost which may be added by the party to whom such payment is due for nonpayment or late payment thereof. In the event of any failure by Tenant to pay or discharge any of the foregoing, Landlord shall have all rights, powers and remedies provided herein, by law or otherwise, in the event of nonpayment of Basic Rent.

5. Net Lease; True Lease. (a) It is the intention of the parties hereto that the obligations of Tenant hereunder shall be separate and independent covenants and agreements, and that Basic Rent, Additional Rent and all other sums payable by Tenant hereunder shall continue to be payable in all events, and that the obligations of Tenant hereunder shall continue unaffected, unless the requirement to pay or perform the same shall have been terminated pursuant to an express provision of this Lease. This is a net Lease and Basic Rent, Additional Rent and all other sums payable hereunder by Tenant shall be paid without notice or demand,

and without setoff, counterclaim, recoupment, abatement, suspension, deferment, diminution, deduction, reduction or defense, except as otherwise specifically set forth herein. This Lease shall not terminate and Tenant shall not have any right to terminate this Lease, during the Term (except as otherwise expressly provided herein). Tenant agrees that, except as otherwise expressly provided herein, it shall not take any action to terminate, rescind or avoid this Lease notwithstanding (i) the bankruptcy, insolvency, reorganization, composition, readjustment, liquidation, dissolution, winding-up or other proceeding affecting Landlord, (ii) the exercise of any remedy, including foreclosure, under the Mortgage, (iii) any action with respect to this Lease (including the disaffirmance hereof) which may be taken by Landlord under the Federal Bankruptcy Code or by any trustee, receiver or liquidator of Landlord or by any court under the Federal Bankruptcy Code or otherwise, (iv) the Taking of the Leased Premises or any portion thereof (except as specifically provided in Paragraph 12.(b) below), (v) the prohibition or restriction of Tenant's use of the Leased Premises under any Legal Requirement or otherwise, (vi) the destruction of the Leased Premises or any portion thereof, (vii) the eviction of Tenant from possession of the Leased Premises, by paramount title or otherwise, or (viii) default by Landlord under any other agreement between Landlord and Tenant. Tenant waives all rights which are not expressly stated herein but which may now or hereafter otherwise be conferred by law to quit, terminate or surrender this Lease or any of the Leased Premises; to any setoff, counterclaim, recoupment, abatement, suspension, deferment, diminution, deduction, reduction or defense of or to Basic Rent, Additional Rent or any other sums payable under this Lease, except as otherwise expressly provided herein; and for any statutory lien or offset right against Landlord or its property.

(b) Landlord and Tenant agree that this Lease is a true lease and does not represent a financing arrangement. Each party shall reflect the transaction represented hereby in all applicable books, records and reports (including income tax filings) in a manner consistent with "true lease" treatment rather than "financing" treatment.

6. Title and Condition.

(a) The Leased Premises are demised and let subject to the Permitted Encumbrances and all Legal Requirements and Insurance Requirements, including any existing

violation of any thereof; without representation or warranty by Landlord; it being understood and agreed, however, that the recital of the Permitted Encumbrances herein shall not be construed as a revival of any thereof which for any reason may have expired.

(b) Without limiting the effect of Landlord's covenant set forth in Paragraph 8.(c), the Landlord makes no, and expressly hereby denies any, representations or warranties regarding the condition or suitability of, or title to, the Leased Premises. Tenant agrees that it takes the Leased Premises "as is," without any such representation or warranty.

(c) Landlord hereby conditionally assigns, without recourse or warranty whatsoever, to Tenant, all warranties, guaranties and indemnities, express or implied, and similar rights which Landlord may have against any manufacturer, seller, engineer, contractor or builder in respect of any of the Leased Premises, including, but not limited to, any rights and remedies existing under contract or pursuant to the Uniform Commercial Code (collectively, the "guaranties"). Such assignment shall remain in effect so long as no Event of Default exists hereunder or until the termination of this Lease. Landlord shall also retain the right to enforce any guaranties so assigned in the name of Tenant upon the occurrence of an Event of Default. Landlord hereby agrees to execute and deliver at Tenant's sole cost and expense such further documents, including powers of attorney, as Tenant may reasonably request (and which in the good faith judgment of Landlord, do not adversely affect a substantial general interest of Landlord), in order that Tenant may have the full benefit of the assignment effected or intended to be effected by this Paragraph 6. Upon the occurrence of an Event of Default or termination of this Lease, the guaranties shall automatically revert to Landlord. The foregoing provision of reversion shall be self-operative and no further instrument of reassignment shall be required. In confirmation of such reassignment Tenant shall execute and deliver promptly any certificate or other instrument which Landlord may request at Tenant's sole cost and expense. Any monies collected by Tenant under any of the guaranties after the occurrence of and during the continuation of an Event of Default shall be held in trust by Tenant and promptly paid over to Landlord.

(d) Landlord agrees to enter into with Tenant, at Tenant's expense, such easements, covenants, waivers, approvals or restrictions for utilities, parking or other

matters as desirable for operation of the Leased Premises or properties adjacent thereto (collectively, "Easements") as requested by Tenant, subject to Lender's and Landlord's approval of the form thereof, not to be unreasonably withheld or delayed; provided, however, that no such Easement shall result in any diminution in the value or utility of the Leased Premises for use as a distribution center and further provided that no such Easement shall render the use of the Leased Premises dependent upon any other property or condition the use of the Leased Premises upon the use of any other property, each of which Tenant shall certify to Landlord and Lender in writing delivered with Tenant's request with respect to such Easement. Tenant's request shall also include Tenant's written undertaking acknowledging that Tenant shall remain liable hereunder as a principal and not merely as a surety or guarantor notwithstanding the establishment of any Easement. If either Landlord or Lender shall fail to approve or disapprove the form of any such Easements, within a period of thirty (30) days from their respective receipt of same, then either Landlord or Lender, as the case may be, shall be deemed to have approved the form of any such Easement.

7. Taxes; Insurance and Legal Requirements.

(a) Tenant shall, subject to the provisions of Paragraph 18 hereof relating to contests, before interest or penalties are due thereon, pay and discharge all Taxes. Landlord shall promptly deliver to Tenant any bill or invoice it receives with respect to any Tax. Nothing herein shall obligate Tenant to pay, and the term "Taxes" shall exclude, federal, state or local (i) franchise, capital stock or similar taxes if any, of Landlord, (ii) income, excess profits or other taxes, if any, of Landlord, determined on the basis of or measured by its net income, or (iii) any estate, inheritance, succession, gift, capital levy or similar taxes unless the taxes referred to in clauses (i) and (ii) above are in lieu of or a substitute for any other tax or assessment upon or with respect to any of the Leased Premises which, if such other tax or assessment were in effect at the commencement of the term, would be payable by Tenant. In the event that any assessment against any of the Leased Premises may be paid in installments, Tenant shall have the option to pay such assessment in installments; and in such event, Tenant

shall be liable only for those installments (and all resulting interest thereon) which become due and payable in respect of the Term. Tenant shall prepare and file all tax reports required by governmental authorities which relate to the Taxes. Tenant shall deliver to Landlord, within thirty (30) days of Landlord's request therefor, copies of all settlements and notices pertaining to the Taxes which may be issued by any governmental authority and receipts for payments of all Taxes made during each calendar year of the Term, within thirty (30) days after payment.

(b) Tenant shall promptly comply with and conform to all of the Legal Requirements and Insurance Requirements, subject to the provisions of Paragraph 18 hereof.

8. Use.

(a) Tenant may use the Leased Premises for any lawful purpose other than any use that will (i) have a material adverse effect on the value of the Leased Premises, (ii) materially increase the likelihood that Tenant, Landlord or Lender would incur liability under any provisions of the Act referred to in Paragraph 26 of this Lease, or (iii) result or give rise to any material environmental deterioration or degradation of the Leased Premises. In no event shall the Leased Premises be used for any purpose which shall violate any of the provisions of any recorded covenants, restrictions or agreements applicable to the Leased Premises or to any shopping center of which the Leased Premises may be a part. Tenant agrees that with respect to any such recorded covenants, restrictions or agreements, Tenant shall observe, perform and comply with and carry out the provisions thereof required therein to be observed and performed by Landlord.

(b) Subject to Tenant's rights of contest under Paragraph 18 hereof, Tenant shall not permit any unlawful occupation, business or trade to be conducted on any of the Leased Premises or any use to be made thereof contrary to applicable Legal Requirements or Insurance Requirements. Subject to Tenant's rights of contest under Paragraph 18 hereof, Tenant shall not use, occupy or permit any of the Leased Premises to be used or occupied, nor do or permit anything to be done in or on any of the Leased Premises, in a manner which would (i) violate any certificate of occupancy or equivalent certificate affecting any of the Leased Premises, (ii) make void or voidable any insurance which Tenant is required hereunder to maintain then in force with respect to any of the Leased Premises, (iii) affect in any manner the

ability of Tenant to obtain any insurance which Tenant is required to furnish hereunder, (iv) cause any injury or damage to any of the Improvements unless pursuant to Alterations permitted under Paragraph 11 hereof, or (v) constitute a public or private nuisance or waste.

(c) Subject to all of the provisions of this Lease, so long as no Event of Default exists hereunder, Landlord covenants that neither it nor any party claiming by, through or under it, shall do any act to disturb the peaceful and quiet occupation and enjoyment of the Leased Premises by Tenant. Landlord may enter upon and examine any of the Leased Premises at reasonable times after reasonable notice and during business hours and exercise any rights and privileges granted to Landlord under the provisions of this Lease.

9. Maintenance and Repair.

(a) Except for any alterations that Tenant is permitted to make hereunder, Tenant shall at all times, including any Requisition period, put, keep and maintain the Leased Premises, including, without limitation, the roof, landscaping, walls (interior and exterior), footings, foundations and structural components of the Leased Premises, and the Adjoining Property, in good repair and appearance, and shall promptly make all repairs and replacements (substantially equivalent in quality and workmanship to the original work) of every kind and nature, whether foreseen or unforeseen, which may be required to be made upon or in connection with any of the Leased Premises in order to keep and maintain the Leased Premises in as good repair and appearance as they were as of the Commencement Date, except for ordinary wear and tear. Tenant shall do or cause others to do all shoring of the Leased Premises or Adjoining Property or of foundations and walls of the Improvements and every other act necessary or appropriate for preservation and safety thereof, by reason of or in connection with any excavation or other building operation upon any of the Leased Premises or Adjoining Property, whether or not Landlord shall, by reason of any Legal Requirements or Insurance Requirements, be required to take such action or be liable for failure to do so. Landlord shall not be required to make any repair, whether foreseen or unforeseen, or to maintain any of the Leased Premises or Adjoining Property in any way, and Tenant hereby expressly waives the right to make repairs at the expense of the Landlord, which right may otherwise be provided for in any law now or hereafter in effect. Nothing in the preceding sentence shall be deemed to

preclude Tenant from being entitled to insurance proceeds or condemnation awards for Restoration pursuant to the terms of this Lease. Tenant shall, in all events, make all repairs for which it is responsible hereunder promptly, and all repairs shall be in a good, proper and workmanlike manner.

(b) If Tenant shall be in default under any of the provisions of this Paragraph 9, Landlord may, after thirty (30) days notice to Tenant and failure of Tenant to commence to cure during said period or to diligently prosecute such cure to completion once begun, but immediately upon notice in the event of an emergency (that is, imminent danger of injury to persons or property), do whatever is necessary to cure such default as may be reasonable under the circumstances for the account of and at the expense of Tenant. In the event of an emergency, before Landlord may avail itself of its rights under this Paragraph 9(b), Landlord shall send notice to Tenant of the situation by phone or other available communication. All actual and reasonable costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) so incurred by Landlord, together with interest thereon at the Default Rate from the date of payment or incurring the expense, shall constitute Additional Rent payable by Tenant under this Lease and shall be paid by Tenant to Landlord on demand. Landlord and Tenant agrees that, in the event of an emergency, expenditures which might otherwise be unreasonable (such as overtime) may nevertheless be reasonable under the circumstances.

(c) Tenant shall from time to time replace with other operational equipment or parts any of the mechanical systems or other equipment included in the Improvements which shall have become worn out, obsolete or unusable for the purpose for which it is intended, been taken by a Condemnation as provided in Paragraph 12, or been lost, stolen, damaged or destroyed as provided in Paragraph 14. Tenant shall repair at its sole cost and expense all damage to the Leased Premises caused by the removal of equipment or any other personal property of Tenant at any time, including upon expiration or termination of the Lease.

10. **Liens.** Tenant shall not, directly or indirectly, create or permit to be created or to remain, and shall promptly discharge, any lien on any of the Leased Premises, on the Basic Rent, Additional Rent or on any other sums payable by Tenant under this Lease, other

than the Mortgage (and any assignment of leases, rents or profits collateral thereto), the Assignment, the Permitted Encumbrances and any mortgage, lien, encumbrance or other charge created by or resulting from any act or omission by Landlord or those claiming by, through or under Landlord (except Tenant).

11. Alterations. Tenant shall not make any Alterations which would result, after giving consideration to the completed alteration, in a material diminution in the value of the Leased Premises without Landlord's written consent. Tenant may make any other Alterations without the prior written consent of the Landlord provided such Alterations comply with all of the provisions of the following sentence. In the event that Landlord gives its prior written consent to any Alterations, or if such consent is not required, Tenant agrees that in connection with any Alteration (i) all such Alterations shall be performed in a good and workmanlike manner, and shall be expeditiously completed in compliance with all Legal Requirements, (ii) all work done in connection with any such Alteration shall comply with all Insurance Requirements, (iii) Tenant shall promptly pay all costs and expenses of any such Alteration, and shall discharge all liens filed against any of the Leased Premises arising out of the same, (iv) Tenant shall procure and pay for all permits and licenses required in connection with any such Alteration, (v) all such Alterations shall be the property of Landlord and shall be subject to this Lease, and (vi) any Alteration the estimated cost of which in any one instance exceeds Two Hundred Fifty Thousand Dollars (\$250,000.00) shall be made under the supervision of a licensed architect or engineer in accordance with detailed plans and specifications which shall be submitted to Landlord at least twenty (20) days prior to the commencement of the Alterations. Upon completion of any Alteration in excess of \$250,000 Tenant will provide as-built plans and specifications or record drawings to Landlord and Lender.

12. Condemnation.

(a) Immediately upon obtaining knowledge of the institution of any proceeding for Condemnation, Tenant shall notify Landlord thereof and Landlord shall be entitled to participate in any Condemnation proceeding at Tenant's expense. Landlord, immediately upon obtaining knowledge of the institution of any proceeding for Condemnation, shall notify Tenant thereof and Tenant shall have the right to participate in such proceedings at

its own expense. Subject to the provisions of this Paragraph 12 and Paragraph 15, Tenant hereby irrevocably assigns to Lender or to Landlord, in that order, any award or payment in respect of any Condemnation of Landlord's interest in the Leased Premises, except that nothing in this Lease shall be deemed to require (i) the assignment to Landlord or Lender of any award or payment on account of Tenant's leasehold interest hereunder, Tenant's Trade Fixtures, or other tangible personal property, moving expenses and similar claims, if available, to the extent Tenant shall have a right to make a separate claim therefor against the condemnor or (ii) any act or circumstance that impairs Tenant's right to any such award or payment, it being agreed, however, that Tenant shall in no event be entitled to any payment that reduces the award to which Landlord is or would be entitled for the condemnation of Landlord's interest in the Leased Premises.

(b) If (i) the entire Leased Premises or (ii) at least ten percent (10%) of the Land or the building constructed on the Land, the loss of which even after restoration would, in Tenant's reasonable business judgment, be substantially and materially adverse to the business operations of Tenant, shall be subject of a Taking by a duly constituted authority or agency having jurisdiction, then Tenant shall, not later than sixty (60) days after a Taking has occurred, serve notice upon Landlord ("Tenant's Termination Notice") of its intention to terminate this Lease on any Basic Rent Payment Date specified in such notice, which date (the "Termination Date") shall be no sooner than the first Basic Rent Payment Date occurring at least thirty (30) days after the date of Tenant's Termination Notice. In the event that during the initial term Tenant shall serve such notice upon Landlord of its intention to terminate this Lease on the Termination Date, Tenant shall, as part of such notice, offer (which offer may be rejected by Landlord as set forth below) to purchase the Leased Premises and the award, or if no part of the Leased Premises shall remain, the entire award for the applicable price computed in accordance with the schedule annexed hereto and marked Exhibit "C" (the "Purchase Price") plus all other amounts which may be due and owing to Lender or Landlord by reason of any default by Tenant in complying with its obligations under this Lease (the "Additions to Purchase Price"). If Landlord and Lender shall not elect to accept Tenant's said offer to purchase, Landlord shall give notice rejecting such offer to Tenant within thirty (30) days after the giving
